

1. What did we learn this week?

We learned about loops, and the data types that can be used for easy access and how to appropriately use loops. Also understanding recursion and statements inside of loops.

2. Rate your understanding of the topics this week. (1. Did not understand at all, ... 5. Fully understand the topic)

5.

3. Are there any questions related to this week's topics? We will address the questions either at the beginning of a lab or through a post.

No questions.
