

1. What did we learn this week?

Learning about debugging, learning how to write test cases. Basically how do you ensure that the program that you wrote actually works, and how to tell when it doesn't work.

2. Rate your understanding of the topics this week. (1. Did not understand at all, ... 5. Fully understand the topic)

5.

3. Are there any questions related to this week's topics? We will address the questions either at the beginning of a lab or through a post.

No questions.
